Understanding Pneumococcal Diseases in Adults: Evidence from Chinese Mainland and Implications for Hong Kong

17 November 2026, Tuesday
19:15–20:30 (Registration starts at 18:30)
Sung Room, 4/F, Sheraton Hong Kong Hotel & Towers,
20 Nathan Road, Tsim Sha Tsui, Kowloon

Join us to hear from leading experts on **adult pneumococcal disease in the Chinese Mainland and Hong Kong**, with insights into disease burden and evolving serotype trends, as well as how real-world evidence on the **effectiveness of 20-valent pneumococcal conjugate vaccine (PCV20)** can inform vaccination and disease-prevention strategies.

Register now!
