- ☐ Learning objectives
- ☐ Summary of event
- ☐ Presentation PowerPoint (if available)

Please send this form with the attachments to cpeadmin@cpp.org.hk .

Learning Objectives:

1. To examine the etiology and pathophysiology of gout
2. To differentiate between acute gout attacks and chronic gouty arthritis manifestations
3. To evaluate current treatment strategies for both acute and chronic gout
4. To analyze evidence-based non-pharmacological prevention approaches
5. To address common misconceptions about gout management
- 6.

Event Summary:

The hybrid educational seminar, conducted both in-person at the Shatin DHC Centre and via live Zoom streaming on May 6, 2025, provided comprehensive coverage of gout management. The event attracted approximately 50 onsite attendees with additional participants joining virtually through zoom. The 2-hour program featured:

90 minutes of educational content and
30-minute interactive FAQ session
